DETAILED ACTION

The amended drawing filed on February 05, 2007 is accepted.

Allowable Subject Matter

1. Claims 1-4, 6-20 and 22-39 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Prior art fails to teach or fairly suggest:

An antenna comprising a contact portion formed on the second antenna in order to electrically connect to the second antenna element to a second conductor of the cable via dielectric member, in combination with the remaining claimed limitations as claimed in claim 1 (claims 2-4, 6-15, 34-36 are allowed since they are dependent on claim 1).

An antenna comprising a first connecting portion formed on the second radiating portion in order to electrically connect the second radiating portion of the first antenna element to a first conductor of a cable; a first contact portion formed on the impedance adjustment element in order to contact the impedance adjustment element to the first conductor of the cable covered with a covering material; a second connecting portion formed on the second antenna element in order to electrically connect the second antenna element to a second conductor of the cable; and a second contact portion formed on the first radiating portion in order to contact the first radiating portion of the first antenna element to the second conductor of the cable via a dielectric member, in combination with the remaining claimed limitations as claimed in claim 16 (claims 17-20, 22-30 and 37-39 are allow since they are dependent on claim 16).

An antenna comprising a contact portion formed on the second antenna in order to electrically connect to the second antenna element to a second conductor of the cable via dielectric member, in combination with the remaining limitations as claimed in claim 31 (claims 32-33 are allowed since they are dependent on claim 31).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
